

Toll-Free Service

Take Advantage Of High-Quality, Feature-Rich Toll-Free Service

Toll-Free Service

nexVortex, a BCM One Company, offers a Toll-Free Service with real-time billing, online portal control, and autodetecting disaster recovery routing are some of the features your business will appreciate.

Our aggressively priced service plans and toll-free bundles will help your company save money. Use nexVortex service with a SIP-enabled PBX, nexVortex-provided SBC with a PRI enabled PBX, or have nexVortex forward your toll-free calls to an existing phone number.

In Addition, We Can Provide:

- › Unlimited concurrent calls
- › Porting of existing toll-free numbers
- › Multisite failover
- › Advanced toll-free routing features
- › Domestic support
- › One-click provisioning
- › Vanity numbers
- › RespOrg carrier services (VEX01)

Other Options:

- › 50K, 100K, 250K bundle packages
- › Custom bundles available
- › Add outbound or DID minute bundles
- › Month-to-month options
- › Add additional toll-free numbers (new or ported)

Disaster Recovery: The nexVortex autodetecting disaster recovery module enables you to set predetermined failover routes for all of your toll-free numbers.

Advanced Reporting: nexVortex provides real-time billing statistics through your web portal. Custom reports can also be created.

At A Glance:

- › Save 50% or more
- › Burstable trunks on demand
- › Portal control
- › Advanced provisioning and support
- › Keep existing numbers
- › Autodetecting disaster recovery
- › RespOrg services
